GDPR LEGAL REQUIREMENT

To Whom It May Concern,

It is a legal requirement to inform you about how we use and store your data in order to comply with the new General Data Protection Regulation (GDPR), which comes into force 25th May 2018.

We confirm that any personal data we hold about Company's we deal with is held for legitimate business reasons and is securely protected. This information is stored on our Sage account package and also on a secure offsite back up.

If you do not wish us to continue to hold information about your Company, please let us know, and we will remove any information from our systems.

All of this data is only used for day to day business activity, and is never passed on to any third parties.

If you have any concern in relation to the above, please inform us.

Company Registration No: 01034954
